## MFS ASIA-PACIFIC POWER PRODUCT AND TECHNOLOGY EXHIBITION (POWER CHINA 2021) AT #BOOTH T37-T39

On 18-20 November, MFS Technology will showcase its Power PCB technology in Area B, China Import & Export Fair Complex in Guangzhou. After pioneering the Power PCB technology for more than 20 years, MFS PCB delivers power that is incomparably high, stable & safe with unparalleled power density using its proprietary technology.

Come & visit us at booth #T37-39 !

Booth: #T37-39

Location : Area B, China Import & Export Fair Complex, Guangzhou, China

The poster features a dark blue background with white and yellow text. At the top left, there are two logos: one for the organizing group and one for the exhibition. The main title is in large, bold Chinese characters, followed by the English translation. A white box contains the company name and an invitation. Below this, the dates and location are listed with icons. A QR code is in the bottom left, and the word '邀请' (Invitation) is written in large, stylized yellow characters on the right.
