### MFS TECHNOLOGY CONTRIBUTES TO DISASTER RELIEF

On 30<sup>th</sup> of July 2020, MFS Technology, standing in solidarity with Yiyang city (Hunan province, China) government & its people, contributed 100,000RMB to the flood relief work.

As a token of appreciation, Mr Zeng Bo, member of the Standing Committee of Yiyang Ziyang District Committee awarded an honorary plaque to MFS Technology, which was received by Peng Ren, Deputy General Manager for MFS Technology Yiyang's factory.

MFS Technology CEO Tan Bian Ee also expressed appreciation to Yiyang's government as well as its people for the successful opening of MFS 4<sup>th</sup> factory in Yiyang recently: "As a responsible corporate citizen, MFS earnestly fulfills its social responsibilities... Together, we will surely win the battle against the flood "
