MFS TECHNOLOGY FIGHTS COVID-19 WITH MELAKA GOVERNMENT

On 29th July of 2020, MFS Technology, together with Changsha Economic & Technological Zone Management Committee, donated 100,000 masks to the Melaka state government of Malaysia .

MFS Technology COO Chen Chee Ming said in a comment “Since 1998, MFS Technology has been operating in Melaka and is now an integral part of the land. It’s our honour to contribute to the local community .”

Melaka’s Chief Minister, YAB Datuk Haji Sulaiman Bin Md Ali, was present to receive the gifts and expressed his gratitude.

Besides Malacca, MFS operates 2 manufacturing plants in Changsha city. Working frequently with the Changsha management committee, MFS contributes to the local electronics industry and supports various social initiatives.

Sulaiman Md Ali
